---

AN END-TO-END SERVICE FOR SOURCING & DEPLOYING IT RESOURCE

# MANAGED SOURCING

AN END-TO-END SERVICE FOR SOURCING & DEPLOYING IT RESOURCE

## WHY CHOOSE MANAGED SOURCING ?

### AND WHY CHOOSE PLAN-NET?

Keeping teams and projects staffed to the right levels of capacity & capability to meet changing business demands is often a burden on the time, productivity and focus of IT Management.

Plan-Net 's Managed Sourcing specialises in the rapid provision of flexible IT resource, screened to the highest levels, to meet this constant challenge.

### PROVEN

#### SERVICE DELIVERY MODEL

Managed Sourcing offers a fresh alternative to traditional models, as it is a complete end-to-end service. Our clients benefit from;

- Our approach of thoroughly understanding your business needs and building a long-term partnership
- Proactive Service Delivery from a dedicated and accessible single point of contact at Plan-Net
- Individual KPI Models for deployed resource
- Resource management from our dedicated Service Desk Operation
- Our in-house team of resourcing professionals, established processes and testing tools

### TRUSTED

#### SERVICE PROVIDER

Plan-Net has developed a strong track record delivering to a variety of clients including some of the UK's largest financial, legal and professional service firms.

Some of our clients:

## TYPICAL ROLES

### WE SOURCE & DEPLOY

- Service Desk Analysts
- 2nd & 3rd Line Support
- Desktop Support Engineer
- Tradefloor Support
- Developers
- Application Specialists
- Microsoft Specialists
- Project Managers

## AND THE NOT SO TYPICAL

As we are not only experts in sourcing IT professionals, but IT professionals ourselves we are able to understand your IT project requirements in detail, no matter how specialised they may be, so you can be confident we'll find you the right resource with the right skills.
